Board and Train Resources

Some families find that their schedule does not allow them to train their dog as much as they would like to. The following businesses offer the option of boarding your dog and training them on basic manners skills. After the training is complete, sessions are scheduled to transfer the skills to you and your family. Each business will have their own pricing and package options. I recommend contacting several places to see which one will be a good fit for you and your dog.

- 1. Tails for Life -** Contact: Jake Guell
W7074 Penny Lane, Fond du lac, WI 54937
(920)-906-9188, www.tailsforlifefdl.com
